A CATCHER IN THE RYE

BREAKS

Sharon

Don't really know you but someday
I will. Live slow & stay happy and you
will make it in this world

Take care of your
self

The D.P.
(maureen & wiley)

Sharon,
I haven't gotten to know
you very much or well - hardly
at all and since this is my senior year
I guess I won't be around next year
So - that, I guess, leaves next summer
hope to see you around,

Sharon,
Best of luck.
I hope you marry
a nice guy + he's
good to you. Be good and
stay out of trouble. Best wishes
Donna Schell

Sharon,
You're a good artist
and a nice person
I wish you the best
of luck

The Community

And Us As One

Gatherings in places, small and large alike. The quiet moments spent walking, sitting, and studying. Laughter, tears and all the worries of getting to know you. Listening to concerts, eating afterwards, or

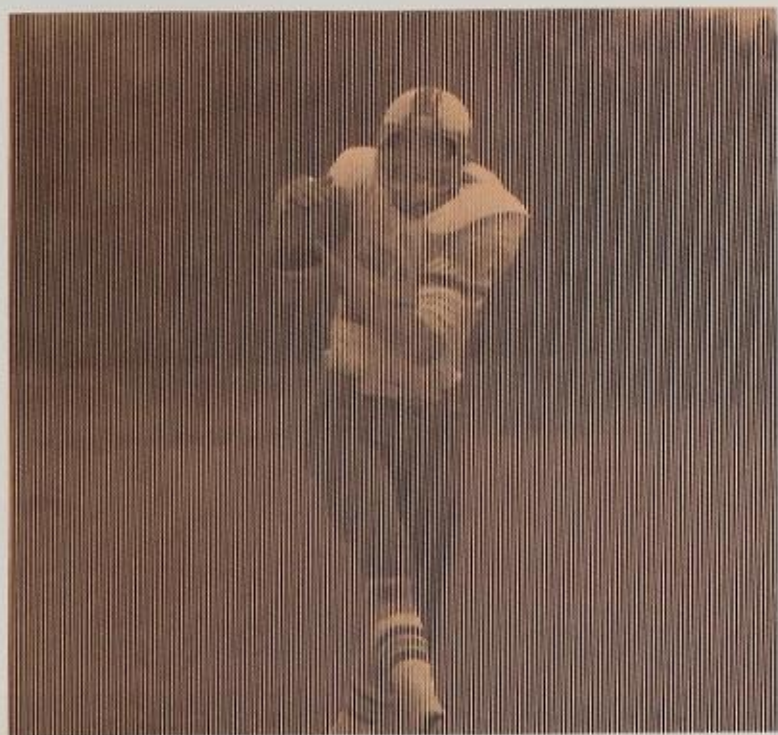

maybe a picnic before, going to the "Y", or even stopping downtown. It may not be the memories we hold for it, but rather the memories it holds for us.

Expressions Show More Than

Words Will Never Tell

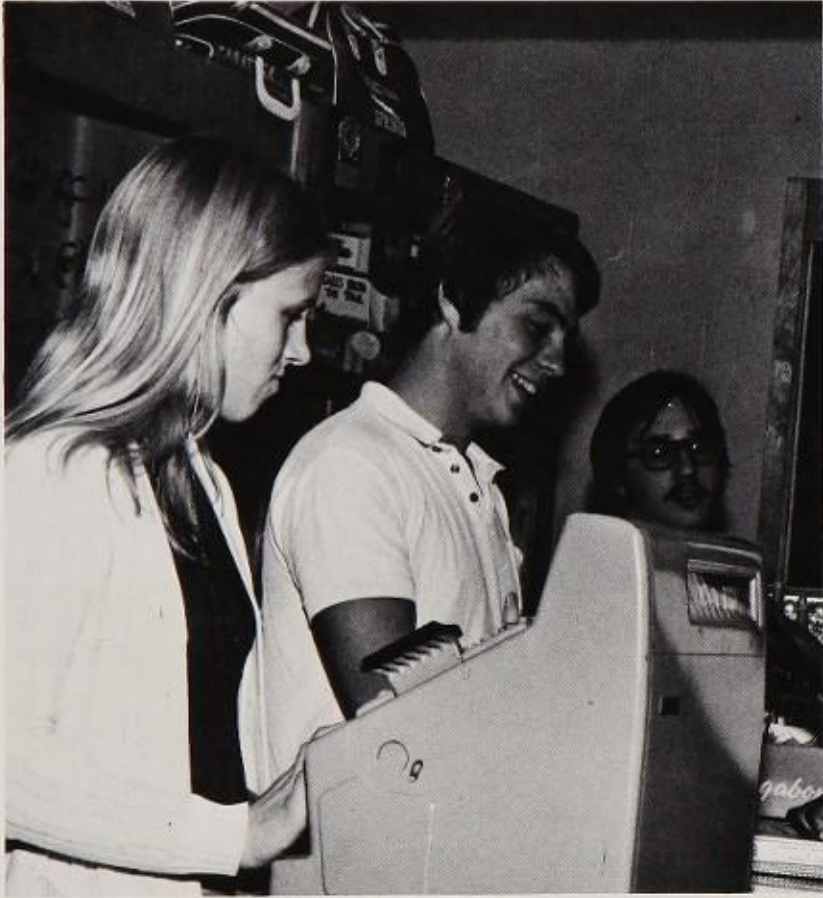

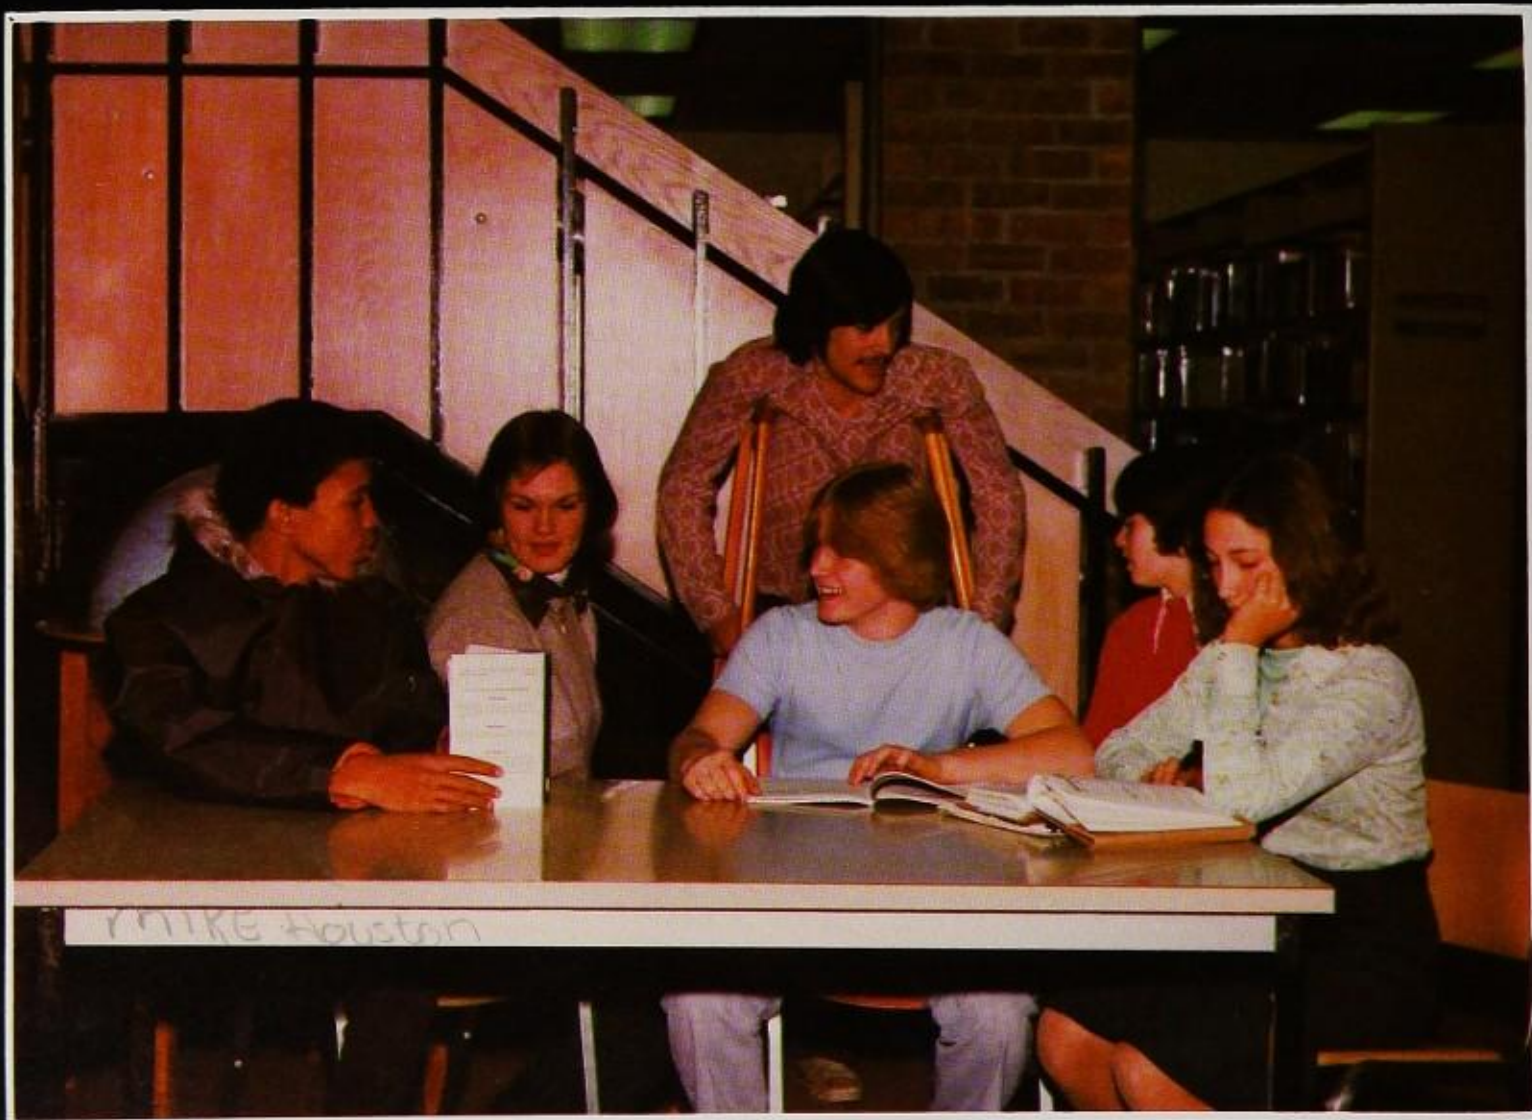

The Words Will Never Show The You We've Come To Know

Inside SSHS

Adam Lewis

Together . . .

The laughs
Of friends.

The communication
Between friends.

Unspoken words
Pass between friends.

Friends need not
Speak their thoughts.

More than a friend
A person that really cares
And knows.

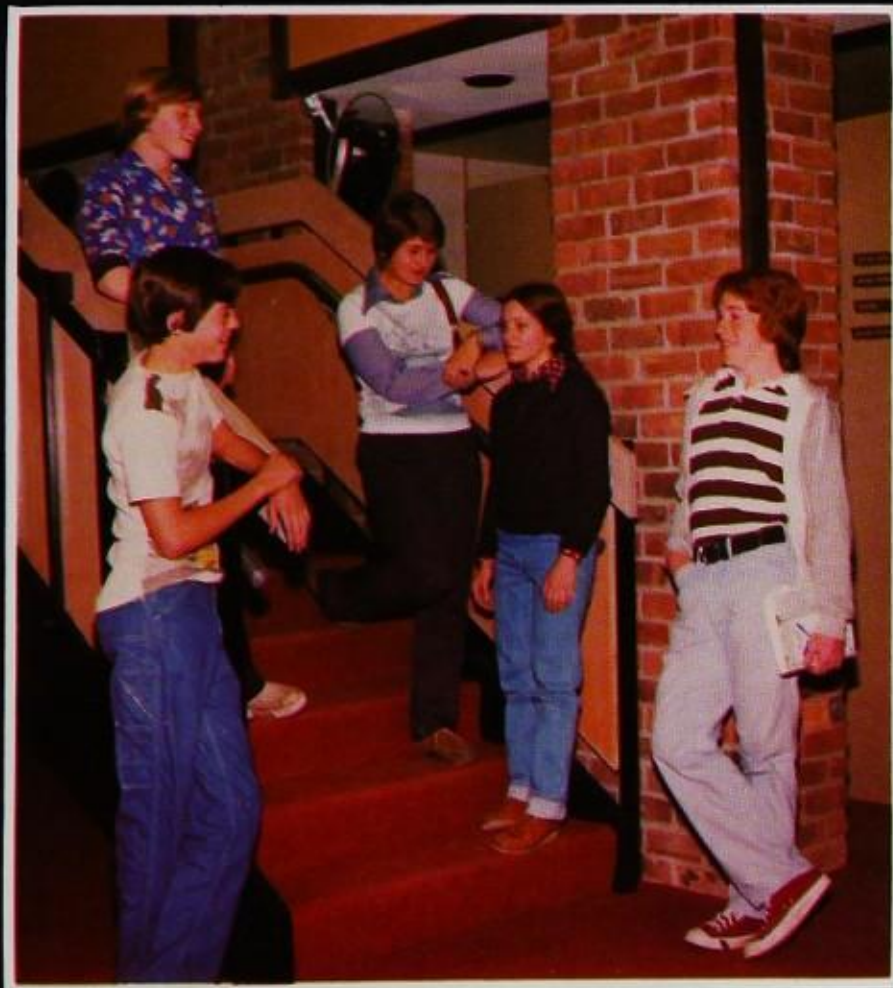

Knows how I feel,
Knows that I care too.

An understanding
When nothing is said,
Nothing has to be spoken.

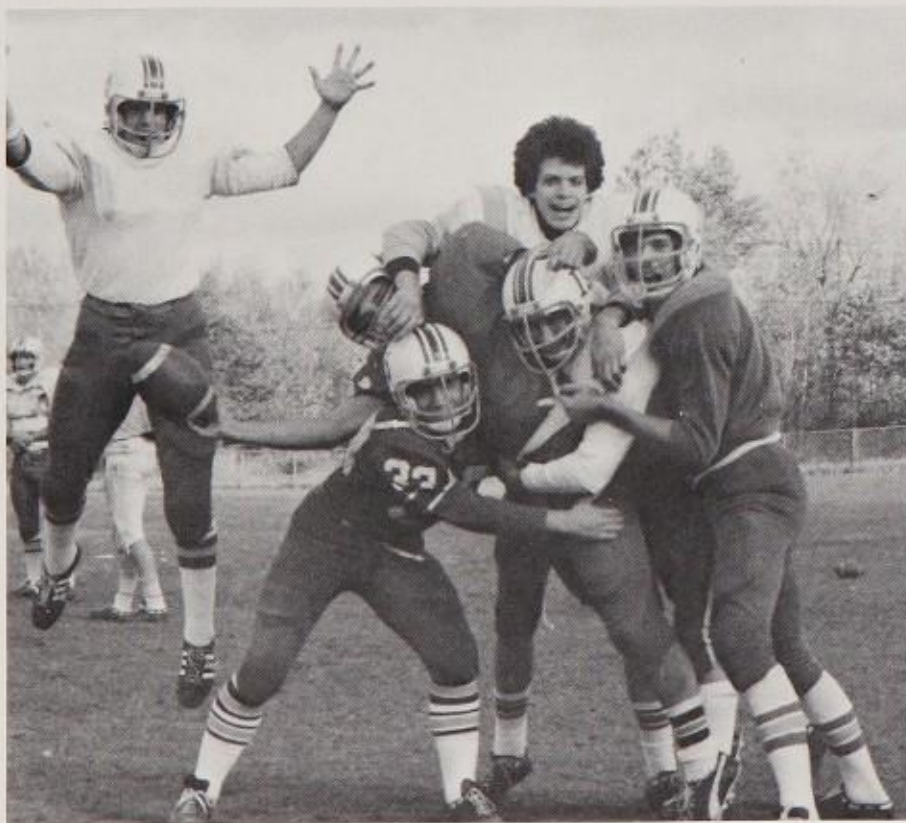

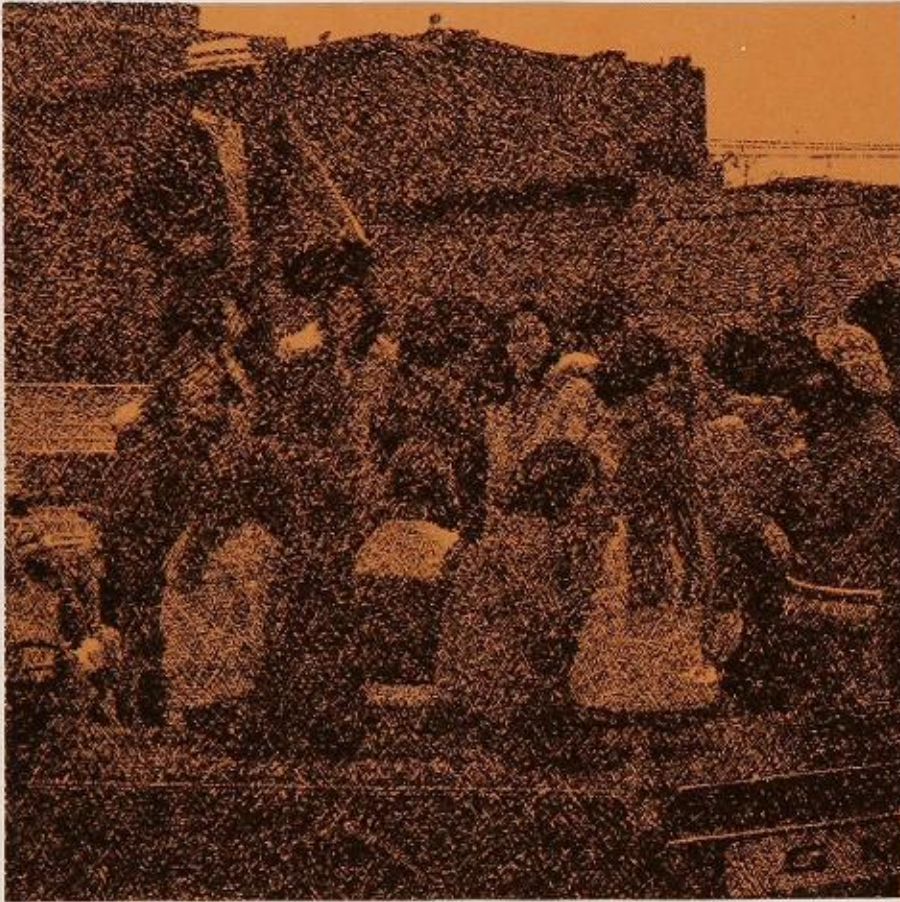

Spoken words
Only mean what you say.

Unspoken words
Carry a meaning
All their own.

A small but dedicated working staff put in hour after hour to meet deadline after deadline. You have in your hands the end result of much effort--we hope you like it.

Foreign Language Night: A Big Success

On May 5 of 1976, the Foreign Language Department held their annual Foreign Language Night. Overall, it proved to be a very successful night.

French 5 took 1st place in the judging with their wax museum. In the Spanish division, the Spanish 4 class won with their creation of the Panama Canal.

The students who participated in the Foreign Language Night, did a fine job of representing the culture of their language.

June 27, Graduation Day For The Class Of '76

Glen Hayes
Salutatorian

"Not only does it mark our graduation from high school, but it also marks a much deeper transition in our lives. "

Homecoming Weekend

1976 - The Pep Rally

The 1976 Pep Rally was a great success. It encouraged the victory by the football team over Queensbury the next day. Mr. George Proctor's enthusiastic commentary was a key factor for the excitement of the Pep Rally.

It was announced that the Class of '77 won the spirit contest, which was the display of various posters throughout the school. The class of '77 also won the shouting contest. A pie eating contest between Tim Rossi, Dave Diggins, John Carey and Jim McAndrews provided much fun and laughter for all. This contest was won by Jim McAndrews.

The cheerleaders provided enjoyable entertainment through a Pompon routine to "Mickey Mouse" played by the Pep Band.

Homecoming Weekend 1976 - The Parade

The 1976 Homecoming Parade was one which will not be forgotten. The parade, starting at 12 noon on Homecoming day at the parking lot off Spring Street and going up over Broadway to Lake Avenue to the East Side Rec, dazzled many spectators.

In addition to the three Class floats, the Band and Girls

Sports Club were also represented. The imagination put into the G. S. C. car added a special touch to the parade, while the Band kept playing charge after charge. The parade started a kind of school spirit that Saratoga High hadn't seen in awhile.

Homecoming Weekend 1976 -

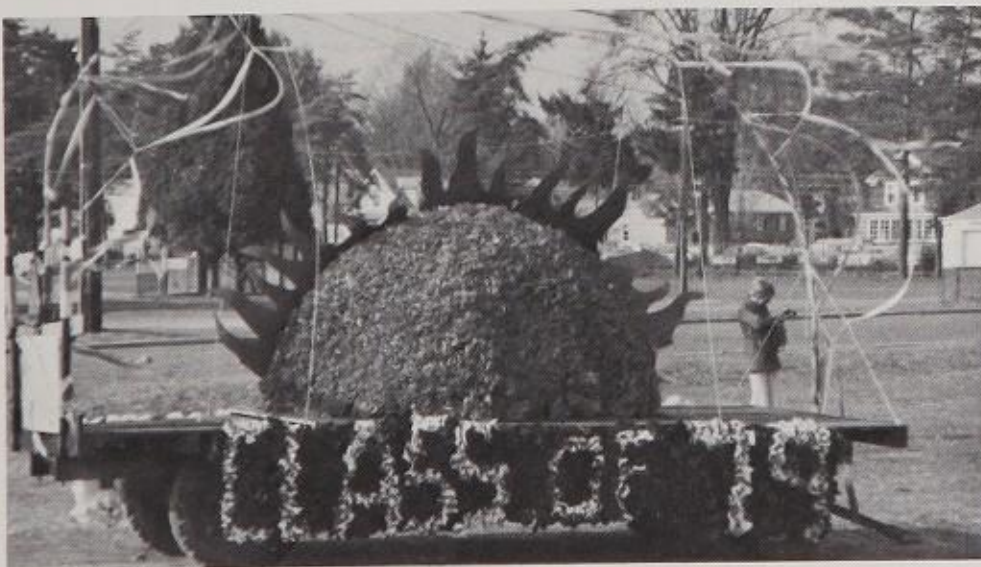

The Game

Our 1976 Homecoming game ended in a victory over Queensbury, a new member of the foothills council. The touchdowns by Willie Doherty, Tim Rossi and Mickey Walczak; interceptions by Robert Bruce and the efforts of quarterback Tom Peterson all led the team to their victory. The defense, led by Paul Klementowski, Paul Somersall and John Kirkpatrick, also helped by keeping Spartan yardage down.

Homecoming 1976-Halftime

The height of the halftime of the 1976 Homecoming game was the presentation to the Junior Class, represented by President Danny Mulligan, of a fifty dollar check from Student Council for coming in first in the float contest. The check was presented by Master of Ceremonies, Mr. John Morrissey. The Senior Class won second prize and the Sophomore Class won third. Half time festivities also included a pompon routine by the cheerleaders and good sounds from the Pep Band, led by Mr. Jacobson.

Homecoming Weekend 1976 - The Dance

The Homecoming Dance was the closing event of an action filled Homecoming weekend. There had been a Pep Rally, floats built and judged, a victory over Queensbury in football that afternoon and now the dance to celebrate and learn the student's choice of Homecoming Queen.

The nominees for the title were Maureen Doherty, Sharon Dwyer, Jamie Galligan, Julie Johnston, and Maureen Gyles. Their escorts were Dave Balmuth, Willy Doherty,

John Dwyer, Joe Leon, and John Zurmulen. The elected runner up was Maureen Doherty and the 1976 Homecoming Queen was Julie Johnston.

The dance was sponsored by Student Council, and students and teachers danced to the good sounds of "Sassy", a local band. This was the second consecutive homecoming victory dance, and like the one before, it was a success. We hope Saratoga High can look forward to many more like it.

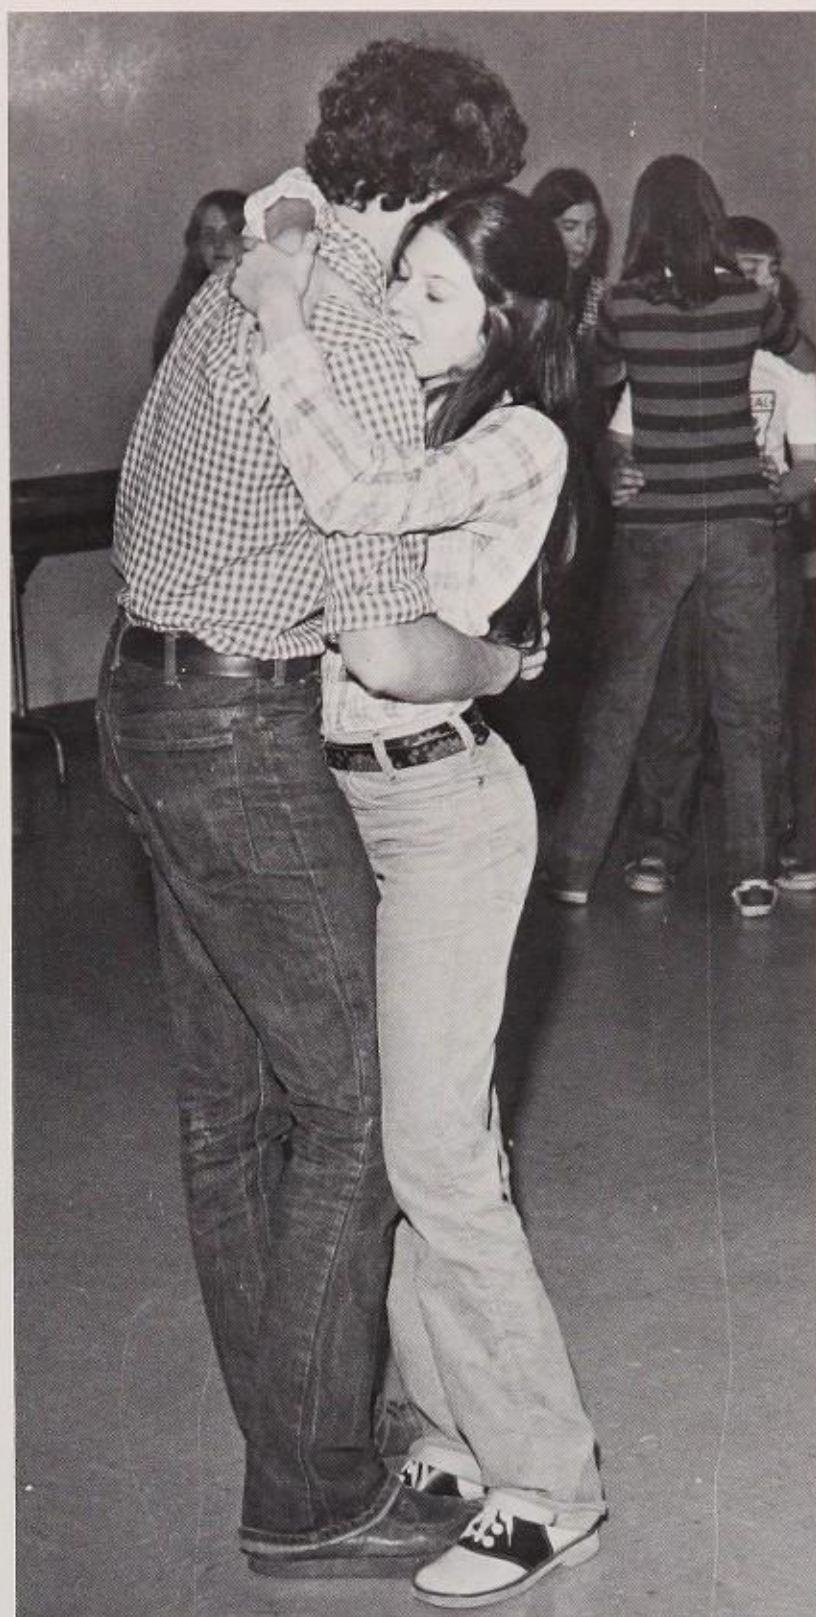

Something New During '76 - A Dance Marathon

This year something new was planned for the student body--a Dance Marathon. This 23 hour dance was held at the Knights of Columbus and was planned by the Junior and Senior classes. The dance was disc-jockeyed by WKAJ during certain hours, and the rest of the time by Mike "Chops" Doyle. The top two money makers received trophies and the next eight received \$25 savings bonds. The next 50 received T-shirts. The dance was enjoyed by all including the chaperones. Many of the latest dances were learned varying from the latest disco, to the soft sounds of Bread and the country sounds of Charlie Rich.

It started Friday, Nov. 19 from 4 p.m. to 11 p.m., and was continued Saturday morning, Nov. 20 at 7 a.m. until 11 p.m. that night. There was a five minute break each hour. While WKAJ was there Saturday afternoon, there were two dance contests held, one for the Best Couple and one for Most Original. Knights of Columbus provided refreshments throughout the marathon. With the appreciated aid of Mr. Mulligan, the Dance Marathon was a success.

At Night There Was The Game

At the beginning of Winter Weekend there was snow, as seen on the following page, but that night there was the big game against arch rival Glens Falls. All that afternoon the question of who would win stuck in everyone's head. Some remembered football season '76 as others remembered the basketball game at Glens Falls earlier in the season. But the outcry was the same-We Love Our Team!

Winter Weekend

Winter Weekend '77 started off with the building of snow sculptures. Each class was represented in the contest and despite some damage that was done to the sculptures they were all completed successfully. The Senior Class, with its construction of "Jack Frost and Abominable Snowman," took first place in the competition with the Juniors coming in second with their "Snow Queen".

Although the Streak Baseball squad did not enjoy the winning season they felt they should have had, they are very optimistic for next year. They feel they will produce a very strong squad for '77. The squad will be losing six of its senior members. Todd Walczak had Done Most for the Team, and Tim Rossi was the Most Improved. All this was done under the watchful eye of Coach Matties. The JV squad, under the coaching of Coach Chartrand had a winning season.

The Blue Streaks Tennis team had a very successful year under the leadership of Coach Rich Johns. Coach Johns singled out the outstanding efforts of Junior John Phillips and Sophomore Rich Harwood. He also feels next year will be another powerful year with the loss of only one player.

1976 Varsity Track And Field

The Saratoga Springs Boys Track Team coached by Mr. Deyo posted a disappointing 1-4 Foothills Council record, but had some outstanding accomplishments by members of the team. John Janisch, a junior, gained the more points than any other member of the team and always placed in his events which were the high and low hurdles. Tim Jackson, a senior, pole vaulted 13 feet which is a new school record. He shut out the Foothills Council in the pole vault and came in first in the F.C. Championships. Neil Theiss was a constant winner for the team in the high jump. He also came in first in the high jump in the F.C. Championships. He was also 3rd in Section II competition for the high jump. The Team accomplishment was coming in 7th out of 18 teams in the Lansingburg Invitationals.

A Very Good Year

The Girl's Field Hockey Team had their first winning season this year. They were considered the most improved Field Hockey Team in the Foot-hills. Last years' overall record was 2-9-1, and this years' was 6-5. Outstanding players of this season were Meg Kelley, Lori Jones, Lori Hartman and Leisha Washburn. This year the Blue Streaks almost went to sectionals but were stopped by a questionable game against Queensbury, who defeated them 2 to 1. Next year they look forward to another winning season and a trip to the sectionals.

The girls J.V. Volleyball team was 4-6 in the league and 6-8 in overall. High scorers were Aleah Bradley with 115 and Terri Dreimiller with 44.

Junior Varsity And Varsity Soccer Have Tough Year

The '76 Soccer season wasn't successful in terms of wins and losses. It was a year in which the boys learned the idea of team work and the importance of skills

In spite of the poor record, a good relationship was maintained among the team members and all are looking forward to next year.

To the departing seniors the team and coach say "Thanks" for helping us build a better future.

ANNOUNCING THE NAVY'S WORLDWIDE CAMPUS

The Navy's always been the place for young people to learn.

But now the Navy makes it even easier for you to go after a college degree or a professional/technical certificate, while you're in the Navy - through a brand new program called the Navy Campus for Achievement.

If you qualify, you may study at an accredited college - with the Navy paying up to 75% of your tuition.

But that's not the only option available. One of the great things about this new Navy program is that it's extremely flexible.

For example, you might earn a college degree without ever setting foot on a campus. And you can accumulate college credits wherever in the world the Navy sends you.

If a professional or technical certificate is your goal, you can choose fields from welding to dentistry to data processing.

There's never been anything like it in the Navy before.

Check out the Navy's new NCFA program. Talk to your local Navy Recruiter, or call

In Memoriam

Mr. Robert S. Meade

Mr. Meade was a founder of the Saratoga County Music Educators Association, Chairman of several Area All-State programs, former chairman of orchestras for the New York State School Music Association, Violist with the Schenectady Symphony Orchestra, and a member of two local musicians unions.

A teacher for 26 years in this district, Mr. Meade will be greatly missed by his colleagues, students, and countless friends.

In Memory Of:

Daniel Green

Class Of 1977

He was sweet, He was tall
He was a friend to us all
He always had a smile on his face
and knew just how to help you
feel in place
Danny had his faults
as we all do
He accepted ours as
we accepted his
All the people who knew him
accepted him not for what
he could give, but for who
and what he was

We feel Danny would want
us to forget the agony of his
departure

But we will never
forget him as he was
Danny was sweet, Danny was tall
Danny was a friend to us all
Danny always had a smile
on his face
And that smile is still shining
in his place

Acknowledgments

We would like to take this time to say thank you to the many people who helped make this yearbook what it is.

First, thanks to Mr. Darbyshire for sticking it out again this year. We never would have made it without him.

To Mr. Potrzuski, who didn't realize what he was getting himself into, but now does. To him we give the biggest thanks possible.

We would also like to thank Character Arts Studio and Josten's American Yearbook Company for taking care of all the essentials. Also to Mr. Bolster for taking our spring sports pictures last season.

Most importantly, thanks to the Board of Education for not cutting us out.
